

# STRATEGIC SNACKING

## SNACKS CAN HELP:

- manage hunger between meals
- add variety to your diet
- provide necessary fuel

## DON'T SKIP MEALS

this can negatively impact the quantity and quality of your food choices later

## HONOR HUNGER

learn to recognize the signs of physical hunger and trust your body's inner wisdom

## BE PREPARED

keep nutrient-dense snacks available for whenever you may need them

## STAY MINDFUL

portion out snacks and enjoy them with minimal distraction

## BE PROACTIVE

sometimes, eating a snack before you are hungry is appropriate

## FIBER & PROTEIN

these are the nutrients that will help you feel full and energized
